Zeck Fishing

Product number: ZK-320021

The Sexy Swimmer lives up to its name. It is an action minnow that is extremely versatile.

Weight: 0.009 kg  
8,95 €\* 8,95 €

Enjoy a new dimension in fishing with the Zeck Barsch-Alarm Sexy Swimmer rubber lure! Developed in cooperation with Johannes Dietel from BARSCH-ALARM, this rubber lure offers an optimal combination of stability, flexibility and a convincing running characteristic.

The **bulbous shape** and the soft, yet **stable rubber compound** ensure a seductive run that plays reliably even with the lightest jig heads or slow presentation. Thanks to the stable run, the Sexy Swimmer can even be fished weightless, and the horizontal sinking without tipping over makes this rubber fish an absolute must-have for anglers.

The optimally positioned offset slots and top offset hem allow for easy handling and increase the success rate when hooking the fish. With an enticing **squid flavour** and **20% salinity** in the lower half of the body, the Sexy Swimmer is irresistible to your prey.

The Zeck Barsch-Alarm Sexy Swimmer rubber bait is **free from toxic plasticisers** such as BPA and phthalate, so you can be sure it's environmentally friendly and safe for the fish population. The Action Minnow feature and Belly Down Shape make this rubber lure a unique one in the BA Sexy Swimmer family.

See for yourself the outstanding quality and effectiveness of the Zeck Barsch-Alarm Sexy Swimmer rubber bait. Order today and increase your catching success on your next fishing trip!
