This small tail spinner is perfect for quickly exploring water in power fishing style. The lure is a careful copy of a small fish with a tail blade. Can be fished straight back or pulled and stopped, the Deracoup will provoke takes from the most lethargic of fish. The Deracoup is a compact and dense lure that can be cast a long way and used to explore deep swims. This is a lure that is easy to work and remarkably efficient at seeking out fish.
