Rapala Rap-V Perch: The ultimate bladed jig chatter bait for perch anglers

Experience the next level of lure fishing with the **Rapala Rap-V Perch Bladed Jig**. This masterpiece combines the most attractive elements of selected lures into a multi-sensory attack that magically attracts perch.

Unique features for maximum attraction

- **Variable diving depth:** Flexibly adjust the action of the lure to be successful in any water layer.
- **Optimum weight:** With a precise weight of 10 g, the lure enables excellent casting distance and diving speed.
- **Printed blade:** The artistically designed blade creates a unique flash and vibration underwater.
- **Lead-free construction:** Environmentally conscious and sustainable, perfect for eco-friendly fishing.
- **Robust Silicone Skirt:** Welded for durability and irresistible swimming action.
- **3D Holographic Eye** The Rap-V eye provides a realistic appearance for higher bite rates.
- **VMC 7250 Black Nickel Hook** Size 3/0 for safe and strong hooking efficiency.
- **Trailer Keeper** Allows the attachment of additional attractors for a larger profile and more flexibility.

Versatility meets simplicity

The **Rap-V Perch Bladed Jig** is your reliable companion in almost every fishing situation. Easy to handle and extremely catchy, this lure promises a successful fishing trip, whether you are a beginner or a professional.
