

Illex Native Spoon Vairon 5,0g

Illex

Product number: IL-65883

The NATIVE SPOON is a trout flasher in a class of

its own!

Weight: 0.005 kg

9,50 €

8,59 €* 8,59 €

It offers sweeping oscillations with not too hectic intensity. During the sinking phase it wobbles with a rolling effect and provokes immediate bites from trout staying in shelters. The slim and rounded profile makes the NATIVE perfect for small to medium rivers, especially on calmer sections. Great flasher also on any trout lake.
