## Hearty Rise Rock Master spinning rod series: precision and elegance in every cast

The **Hearty Rise Rock Master spinning rod series** is the ultimate for discerning anglers who do not compromise on the quality of their equipment. Each variant in this series has been developed with specific fishing techniques and target types in mind to give you the best possible experience in every situation.

### The Rock Master Spin 682UL: your ultra-light companion

With its impressive length of 203 cm and a casting weight of 0.4 - 8.0 gr, the **Rock Master Spin 682UL** is ideal for ultra-light spin fishing. The use of the NET-V III carbon blank and Fuji K-Series guides ensures exceptional casting distance and sensitivity. This rod is perfect for skilfully presenting artificial lures and reliably landing salmonids and perch.

### The Rock Master Spin 762L: Versatile and powerful

The **Rock Master Spin 762L** expands your options with a length of 230 cm and a casting weight of 0.6 - 12.0 gr. It is the ideal choice for anglers who need a rod with a little more backbone for a variety of fishing techniques. At the same time, it remains sensitive enough to feel and react to even the finest bites.

### The Rock Master Spin 802ML: Master the distance

For those who want to take on larger predators, the **Rock Master Spin 802ML** with a length of 244 cm and a casting weight of 2 - 16 gr. is the ultimate weapon. The extra length and increased casting weight allow you to cast accurately even in difficult conditions. The solid tip offers direct transmission and ensures that no

bite escapes you.
