

Jenzi Fishing Rod White Pearl

Jenzi fishing rod White Pearl

Six handcrafted rods with extra fast action for active, precise, and aggressive baitfish angling. The two different casting weights qualifies the White Pearl series for use in most modern angling techniques such as "Twitching" a minnow, drop shotting, angling with plugs or simply casting and retrieving "cranking". The White Pearl makes it possible to present the bait in a natural and attractive way. All of the features that make a stylish handcrafted spinning rod what it needs to be gives the White Pearl its name, such as, a thin rod, high quality rings with abrasion free sleeves, extreme lightness, fast action, a progressive power transition as well as a modern look.

- Dream rods for the specialized angler!
- Super-action Thin Trendy
