

Jenzi Sea Rod Seamaster Heavy Picker up to 200g

Jenzi Sea Rod Seamaster Heavy Picker up to 200g

The ideal rod for plastic bait and lures. Sea angling experts have developed the Seamaster Light & Heavy Picker especially for deep-sea angling. The specially designed integrated full-glass tip makes it possible to immediately detect the slightest of bites. In addition to this, the full-glass tip assures for an accurate and precise bait presentation. The robust guides are equipped with high quality inserts. The powerful backbone makes it possible to wrestle with the hungry lunkers.

- Integrated full-glass tips provide for perfect bite detection
- Ultra-lite blank comfortable angling over extended periods
- Ergonomically formed quality EVA-handle
- Attractive blue-silver binding on the handle
- High quality and robust guide inserts
