The Urban Classic Sling Bag is Rapala's modern take on their highly successful Sling Bag with a few new inclusions and modifications to benefit urban anglers. The Urban Classic Sling Bag features a stealthy digi-camo print which can be found on all Urban Series products from Rapala, as well as a quick draw plier holster and comfortable 3D back panel on the shoulder sling. The bag swings to the front for easy access, like the original Sling Bag does; and includes two main compartments complete with two 3600 size tackle boxes as well as other pockets & retracting holders to store your smaller tools.

- Includes two Plano 3600 size tackle boxes in the bag
- Two main compartments
- The bag swings to the front for easy access
- Both main compartments open to form a work tray
- Internal mesh pocket
- Secondary compartment for large accessories
- Retracting tool holder
- Easy access pocket on shoulder
- Adjustable across the shoulder strap
