Perfect bait for zander and pike - Illex Dunkle 5' Swimbait 15cm 29.5g

The **Illex Dunkle 5" Swimbait** is the ultimate soft bait for discerning anglers. Packed with innovative features, this swimbait has been specially developed for hunting bass and pike. Thanks to its heavy body, the **Illex Dunkle** reaches long distances effortlessly and is perfect for skipping under jetties or into the wood.

Innovative design for maximum efficiency

The **Illex Dunkle Swimbait** is equipped with a super-sharp double hook, which is mounted using a split ring and swivel. This remains in an optimum position in a clip until the bite, after which it can rotate freely - ideal for an effective bite yield. The double hook can be removed and a weight attached to the lower eyelet to enable fishing over stony ground with plenty of obstacles. The hook is then mounted on the clip on the back - simply ingenious!

Features at a glance:

- **Length:** 15 cm
- **Weight:** 29,5 g
- **Swimming behaviour:** Sinking
- **Swimming depth:** 0,1 - 0,5 m
- **Target fish:** Zander, pike, asp

The bulky head area quickly tapers towards the powerful tail plate, which makes the **Illex Swimbait** surprisingly slow to guide. This soft bait is an absolute must-have for any angler looking for an effective

pike lure.

Don't miss the chance to add this versatile and powerful **Illex Dunkle Swimbait** to your equipment!
