Discover the legendary Illex Diving Chubby 38F crankbait lure - the insider tip for ambitious perch anglers

The **Illex Diving Chubby 38F Crankbait 4.3g** has established itself as an indispensable part of the equipment of passionate anglers in Germany. This compact but extremely effective lure is your secret weapon for perch fishing, impressing with its unique combination of design and functionality.

Why the Illex Diving Chubby 38F is a must-have for every angler

- **Unique diving properties:** With its innovative diving lip, the Diving Chubby reaches impressive depths of up to 1.5 metres. Ideal for exploring deeper water layers where the big predators hide.
- **Seductive action:** The perfect mix of "rolling" and "wobbling" imitates the movement of an injured prey fish in a convincing way, enticing even the most cautious predators to bite.
- **Compact size, great effect:** Despite its small size of just 3.8 cm and a weight of 4.3 g, this little giant has the power to outwit even large fish. A surprising feature that delights many anglers.
- **Optimum swimming depth for perch:** With a swimming depth of up to 1.5 metres, the Illex Diving Chubby 38F is ideal for targeting perch in their preferred hunting grounds.
