

FeelFree Advance Buoyancy Aid Red

feelfree

FeelFree

Product number: FFK-ASWR

Classic buoyancy aid for kayaking fans, complying European standards.

59,99 €* 59,99 €

When you're taking your sit-on-top kayak for a paddle or having fun with any type of water sport, always remember that safety comes first. The FeelFree Advance PFD offers in addition to the essentials of comfort and safety in contrast to the Basic version even more advanced adjustment options for a better fitting through straps on the sides and an inner waist belt. For better recognition further reflectors are attached to the shoulders.

Lightweight and cleverly designed shaped curve will give you a better fitting and storage. It features one waist webbing fastener for total safety, YKK zip, retro reflective tapes. Approved to the **latest European standards for 50N buoyancy aids, PNE-EN ISO 12402-05:2007.**

It is available in 4 sizes and in blue, red, and green colour combinations.

This buoyancy aid isn't a life saver. To survive, you need to be able to swim. This buoyancy aid is just a swimming support.

Level 50 PFD - ISO 12402-5 Swimmers only, sheltered waters, help at hand, limited protection against drowning, not a life jacket.

- YKK zip
- Waist webbing fastener
- Adjustable shoulders stripes
- Adjustable belt
- Reflective accents

This is not a life jacket. Check general condition once a year. For children under 6 years use automatic devices only. Teach your child how to float in this device. Learn yourself how to use this device. Full performance may not be achieved when wearing waterproof clothing or in other circumstances - sea leaflet. Before use check all the straps, zips, webbing and stitching for signs of abrasion and damage. The flotation device will only function correctly when all the foam panels are in its place. Never use buoyancy aid as a pillow or cushion. Do not seat on device. Check if all zips and buckles are fastened, adjust all zips and

webbing for a close fit. Dry before storage. Store in a dry and airy place. Hand wash only in max. 30°C water with soap or mild detergent. Never tumble dry or place on a radiator. After use rinse in running water. Suitable for swimmers only. Suitable where help or assistance is nearby. Limited protection against drowning. Use on inland waters: lakes, rivers and channels. Suitable for winds up to 4°B and on waves not higher than 0.5 metres.
