

Gunki Gamera 54SHW Lure

Gunki

Product number: GU-GAM-54SHW

Super heavy weight (SHW) fast sinking version of our famous GAMERA.

10,39 €* 10,39 €

Compact body design to get down and explore strong flows and deep water. The extra density and body shape create a distinctive flutter on the drop and the flat sides give plenty of resistance when twitched and jerked and reflect light attractively. This is the perfect lure for carefully covering a swim working with the current to provoke takes. Great casting accuracy. Silent lure.
