

Gunki Power Game Spinning Rod

POWER GAME is a series of responsive, fast action and versatile rods suited to modern lure tactics. Cut away reel seat keeps your hand in permanent contact with the blank. Different lengths and power ratings covers the spectrum of fishing situations from bank or boat with plugs, lures, soft baits etc. Each rod is perfectly balanced and despite the light blank has plenty of reserve power in the butt. Great looking rods at a very competitive price. Profiled anti-tangle SIC long leg and micro guides.
