The fun stick at a nice price-performance ratio.

from 255,00 €* 255,00 €

The name is program! The Evolution series goes into its 3rd edition.

The Fun Stick from Hearty Rise at an entry-level price!

In total, the campaign was largely left as it was with the previous models. It has been visually revised and now NET-V III has been used as the basis, which makes the rods more resistant. There are also some very interesting new models.
