

Jarocells Portable Storm Case Lithium Battery 12V 50Ah

Jarocells

Product number: JR-BTP50.12

Water- and shockproof lithium battery in a convenient transport case.

from 879,50 €* 879,50 €

The 12V50Ah battery in the waterproof and shockproof Jarocells transport box is very popular with carp anglers. The battery is suitable for driving electric motors up to 55lbs. The case also has USB ports for charging your smartphone and other mobile devices. A 12V car connector for your depth transducer or lighting and an Anderson connector for your motorcycle are also provided.

The portable storm case JARO-BTP50.12 weighs 8.6kg and is comparable to a lead battery of approx. 12V/100Ah with a weight of 30kg.

With our 20A lithium charger, the 50Ah battery can be fully charged in 2.5 hours.

This battery can be read with the Jarocells app for Android and iOS.

Connections: Anderson Connector, 12V Cigarette Lighter Connector, 2 x USB
