

Jenzi Dega Shock leader Taper Line 4-colors 220m

Jenzi

Product number: JE-31000XX

Colored, off-tapered shock leader for surf fishing.

from 12,99 €* 12,99 €

For the majority of surf anglers - which includes many professional coast anglers - the Taper line is still the most suitable line for surf angling: knot free, tapered off from 0.60 mm to the specific diameter. For less wear due to abrasion, longer casting distances, and less assembly. DEGA Taper line - the "unicum" of successful surf anglers. Trust in quality and experience.

Tip: Ideal for feeder angling.
