## Maximise your chances with the Jenzi Best Catch Attractor attractant 250ml.

The **Jenzi Best Catch Attractor attractant** is your key to a successful fishing adventure. With a choice of eight tempting flavours - Vanilla, Strawberry, Aniseed, Banana, Garlic, Mussel, Fish and Tutti Frutti, this attractant offers irresistible appeal to fish. Filled in a generous 250ml pack, it is ideal as a dip for a variety of hookbaits including worms, boilies, corn and particles. Dipping the bait in the attractant creates a more intense odour and flavour delivery that effectively attracts fish. Also use the power of **Best Catch attractant** as an additional stimulus for groundbait, boilies, pellets or other lures to arouse the curiosity of fish and increase your chances of catching them.

### Features:

- Content: 250ml
- Versatile use as a bait dip or feed additive
- Available in 8 tempting flavours

In conclusion, the **Jenzi Best Catch Attractor** attractant is an essential piece of fishing equipment that will exponentially increase the attractiveness of your bait and improve your catching chances. Try out the different flavours and experience for yourself how the fish react to the enticing scent and taste of the attractant. Take advantage of Jenzi's professional quality and effective formulation to make your fishing adventures more successful and enjoyable.
