Remake of the Moken 12.5 with improved equipment.

1.499,00 €* 1.499,00 €

Stable and fast enough to handle larger lakes and coastal waters yet just as comfortable on rivers and small ponds, the new Moken 12.5 V2 is Feelfree's go-to sit-on-top fishing kayak.

The updated kayak now features the new super comfortable EZ Rider Multi-Position + Height Adjustable Seat & Removable Sonar Pod! And, like most Feelfree kayaks, the Moken 12.5 also comes with everything you need to get out and go fish including Uni-Track accessory rails for unlimited outfitting configurations, flush mounted rod holders and a large tankwell to store your fishing gear or a cooler. Compared to most kayaks designed for fishing, the Moken is still manageable at only 85 lbs and features the patented Wheel in the Keel making transportation to and from your vehicle a breeze. The Moken 12.5 can also be easily outfitted with the Beaver Tail Rudder for optimal performance. Can't decide on a sit-on-top fishing kayak? This is it! A great all around fishing kayak that is comfortable, fast and stable designed to handle almost any waterway!
