

YGK X-Braid Olltolos Fluorocarbon 100m Fishing Line

Product number: XB-OLLFC100

Lure Special - Quality Japan Fishing Line

9,99 €* 9,99 €

The line was specially developed for fishing with artificial baits as the main line. This fluorocarbon line brings maximum strength and is very resistant, so that it is difficult for the nano-scratches to penetrate, thus minimizing possible line damage when fishing.
