

Railblaza RailMounts Mounting system with StarPort

Railblaza

Product number: RB-91502X

RailMounts system by Railblaza

Weight: 0.113 kg
10,49 €* 10,49 €

RAILBLAZA RailMounts are simple-to-use mounts, allowing the easy attachment of RAILBLAZA accessories to your rails.

Simply screw the RailMount together onto your rail, no need to drill holes so you can easily move the RailMount to a different spot, and your rail is as good as new!

The RailMount 19-25 can be mounted onto any 19 or 25mm(0.75 or 1") rail in minutes.

All RailMounts come complete with adapters, rubber grips, self-adhesive grip tape and the necessary stainless steel mounting screws.

IMPORTANT: Use of petroleum based lubricants on the StarPort slide will cause failure. Silicone based products are best suited (please check contents of lubricant before using).

RAILBLAZA Part Numbers:

Black: **03-4011-11**

White: **03-4011-21**

Delivery includes:
