Railblaza Expanda Track is the ultimate in versatile, surface mount tracks for light duty applications on kayaks, power boats, bass boats, ATVs and almost any other vehicle.

Expanda Track is:

- Low Profile
- Surface Mount
- Modular
- Expandable
- *Made in New Zealand from high quality materials

Expanda Track will allow you to hold cameras, drink holders, mobile phones & tablets, pole holders and many other items. Simply fit the Expanda Track to any surface you like, then connect a Railblaza StarPort, StarPort HD (relevant TrackMount Kit required) or MiniPort to hold your choice of accessory.

Made of fibreglass reinforced nylon the track is strong and UV resistant.

The design allows for surface mounting, without any rear access required. Included in the kit is everything you need to make a 120mm (5") or 200mm (8") track, or by clipping the 2 ends together you can make a compact mount which will receive the MiniPort TracMount. If you need a longer track, simply buy another kit, and make it longer by 75mm (3") per piece.

Specifications and materials:

- RAILBLAZA Part Number: 01-4122-11
- 4 x Track lengths and 2 x end pieces for 3 mounting options
- 10 x 8g x 20mm Stainless steel self-tapping screws
- UV stabilised fibreglass reinforced nylon plastic
