

River2Sea Dumbbell Popper 110 28g

River2Sea

Product number: R2S-DBB110

Huge popper for big predators.

24,99 €* 24,99 €

Dumbbell Popper® is designed to pop loud and then hang on to any fish that attacks it. Due to its heavy weight and aerodynamic shape, the Dumbbell Popper® can be cast for great distances. The large, concaved, red-painted mouth pops huge volumes of water, making it one of the noisiest lures on the market. Dumbbell Popper® is built tough, able to land you any predator that comes close.
