

Line STROFT FC1 Fluorocarbon 100m

Product number: 11XX

Excellent properties when compared to other fluorocarbon lines.

from 49,79 €* 49,79 €

The 100% fluorocarbon fishing line with the highest breaking strain that has yet been tested by the EFTTA. With production tuned knot strength as well as many other advantages such as high resistance to abrasion, high density, sensitivity, high feed-back, castability (tippet), durability, and low visibility, the STROFT FC1 is ideal for all angling-leader needs. It can also be used as a main line, regrettably at a price.

Special Features:

- Knot strength
- Breaking strain
- Resistance to abrasion
- Feed Back
